RE: 2020-2021 Fiscal Year Audit

A handwritten signature in black ink that reads "Rick West".

Fiscal Year 2021 Audit Results: The fiscal year 2021 audit results will be presented to the Board at the Workshop on October 5th by Plante Moran and recommended for acceptance at the October 19th Board meeting. Your Board packet will include the following documentation:

- Board Presentation
- Board Letter
- Comprehensive Annual Financial Report (CAFR)
- Single Audit

I would encourage all of you to focus on the presentation and the letter (specifically the informational items) as combined they provide an excellent overview of the audit process and findings and a great summary of the state and federal budget implications over the past year. The CAFR consists of three sections; introductory, financial, and statistical. In reading through these, I would encourage you to focus on the Letter of Transmittal in the introductory section as well as the Required and Other Supplemental Information found on pages 39-58 of the financial section. This information will provide you with a good overview of the school district as well as the financial activity of each fund from the 2020-2021 fiscal year. Key takeaways from a governance perspective include the following:

- Unmodified Opinion with no findings or questioned costs of both the financial statements and federal audit programs – Highest Level of Assurance
- Bond and Sinking Fund Compliance
- Bond Refunding
- Uniform Budget Act Compliance
- General Fund Surplus of \$6,724,392
- General Fund Balance of 19.88% or \$32,734,102.
