Dear Kandice:

Enclosed are your annual financial reports and report to the Board of Education as of and for the year ended June 30, 2021 as follows:

- Financial statements
- Single audit report
- Report to the Board of Education

To assist you in determining the distribution requirements of your annual reports, the filing requirements for several agencies have been summarized below. In general, please ensure that the financial statements are included with any distributions of the single audit report.

The single audit report package (as referred to below) includes the following:

- Financial statements
- Single audit report
- Report to the Board of Education

Single audit filing requirements:

- We are in the process of preparing the data collection form on your behalf.
- We will upload the entire reporting package electronically to the FAC. You no longer need to send any hard copies of the reports to the clearinghouse.
- You will need to electronically certify the single audit data collection form.
- You will receive an automated email from the clearinghouse with certification instructions. In order to certify, you will need to ensure the certifying official at your organization has set up a personal account within the Internet Data Entry System (IDES) being used by the FAC for these data collection form filings.

Additional state filing requirements for school districts:

- One copy of the financial statements, single audit report, and report to the Board of Education will be transmitted to the Michigan Department of Education on your behalf. We will also notify the Department once the data collection form has been submitted.
- One copy of the financial statements, single audit report, report to the Board of Education, and data collection form, which can be printed from the FAC website, should be forwarded to the intermediate school district by November 1.

Securities and Exchange Commission:

Please be advised that, because you have issued bonds after July 1, 1995, you may be required to submit information, including your annual financial statements, to the Municipal Securities Rulemaking Board (MSRB). Submissions must be made electronically in PDF format to the Electronic Municipal Market Access (EMMA) system (www.emma.msrb.org). In addition, you are obligated to provide continuing disclosure documents to a State Information Depository (SID) if required by applicable state law or by an outstanding continuing disclosure agreement in effect prior to July 1, 2009. The SID for Michigan is:

Municipal Advisory Council of Michigan
Buhl Building - 535 Griswold, Suite 1850
Detroit, MI 48226-3699

In addition to the report submission requirement, it is also likely that your bond documents (either the bond awarding resolution or the bond official statement) may have committed you to make additional nonfinancial disclosures (such as population, taxable valuation, millage rates, and other demographic data). As a result, there may be additional information required to be sent to the above repositories (which will also have a due date - often 180 days after year end). Please contact your bond financial advisors to determine if these disclosure requirements apply to you. If you, your bond counsel, or financial advisors need assistance in supplying the appropriate information, please contact us.

Thank you for the opportunity to serve as your auditors. Please contact us if you have any questions regarding these filing requirements.

Very truly yours,

Plante & Moran, PLLC
